CONSENT FOR COGNITIVE TESTING

&

RELEASE OF ImPACT INFORMATION

I give permission for (name of child) _____
Date of Birth: _____ Grade: _____ School: _____

to have a baseline and post-concussion ImPACT (Immediate Post-Concussion Assessment and Cognitive Testing) administered by Amberwell Health. I understand that my child will be administered a baseline test prior to participation in sports. I also acknowledge that if the test is not valid they will be asked to repeat the baseline testing.

I further understand that if during the course of the season my child sustains a head injury (concussion) or is suspected of sustaining a head injury (concussion) they will be administered the post-concussion ImPACT test. I understand that my child may need to be tested more than once, depending upon the results of the test, as compared to my child's baseline test, which is on file at Amberwell Health. I understand that there is no charge for the ImPACT testing and interpretation.

The school district in which my child attends or Amberwell Occupational Health at Amberwell Atchison may release the ImPACT (Immediate Post-concussion Assessment and Cognitive Testing) results to my child's primary care physician listed below, neurologist, or another treating physician as indicated below.

I understand that general information about test data may be provided to my child's guidance counselor and teachers, for the purpose of providing temporary academic modifications if necessary.
